

Equipment available at Bristol Airport

- 1 X Mercedes / Mallaghan Ambilift with 8 seats and room for up to 2 passengers in their own wheel chairs, with full size platform. This vehicle is able to service aircraft of A319/A320/A321/B737/B757/B767 and upwards in size.
- 1 X Mallaghan built Ambilift with 4 seats and room for 2 passengers in own chairs, with full size platform. This vehicle can service aircraft from ATR 42/Bombardier Q400/Embraer 145/Fokker 70 upwards in size.
- 1 X Ford Iveco / Emtek half cab Ambilift with 5 seats and room for 2 passengers in their own wheel chairs. This aircraft can service aircraft from Bombardier Q400/Fokker 70/Embraer 145 upwards (modifications are being looked at which will enable us to service ATR aircraft also with this vehicle, and 2 extra seats have been ordered so we will be able to seat 7 on board)
- 2 X Vauxhall Movano Minibus with ramp and step access, with 8 seats in rear and able to fit 1 passenger in a wheelchair.
- All vehicles are fitted with wheelchair clamps and seatbelts
- 5 x Aisle Chairs
- 1 x Pro move sling
- 1 x Amazon stair climber chair
- 48 x Wheelchairs of which 6 are wide fit, 10 are fitted with brakes and 3 have large wheels so passengers are able to self propel if they wish
- 10 x Slide boards
- Leg extension kits are available for passengers with broken legs.
