# Welcome to Bristol Airport

This leaflet contains a few things to help you get the most out of your journey...

## Your questions answered...

### What is the quickest way to get through security?

Be prepared! Remove coats and jackets before you get to the x-ray. Have all metal items ready to go in a tray and all liquids, gels and pastes ready in a clear plastic bag (available for a small fee from vending machines in various locations).

### Are there places to eat and drink once I get through security?

There are numerous places to enjoy hot or cold food whether it's a quick snack or a main meal. There are plenty of bars and restaurants to choose from. See the map within this leaflet for details.

### Is there a chemist in the departure lounge?

There is a Superdrug store located in the departure lounge. Travel essentials and baby food can be purchased here but there is no dispensary for prescription medicines.

### Is there a smoking area in the departure lounge?

Yes, there is an outdoor smoking area. When exiting the World Duty Free store, turn right and follow the signs.

### Is there a Currency Exchange in the departure lounge?

Yes, Travelex is situated in the departure lounge. Euros can also be obtained from the ATM cash dispensers.

### Which gate will my flight board from?

The gate for your flight will be announced on the screens no earlier than 40 minutes before the departure time. If you are boarding from gates 8-16, these are accessed via the walkway located on level 2. Please be aware a maximum walking distance of 450 metres may be involved. Assistance can be arranged at the time of making your initial flight booking.
